ABOUT US

BECKMAN&CO is a pioneering force in Armenia's food & beverage sector and nightlife industry, boasting over 10 years of expertise and a dedicated team of 500+ professionals. With a distinct edge, our influence extends even further, encompassing our very own company specialising in project architecture, branding and construction. Co-founded by visionaries Hakob Manukyan and Davit Bekirski, backed up by the team our talented Executives and Key Managers, we've mastered the art of creating and managing cafes, restaurants, clubs, bars, and fast food chains. Our journey is marked by innovation, currently with 9 thriving projects across 12 locations in Yerevan Armenia we are looking forward to the launch of 2 new concepts in 2026, each a testament to our mission and creative spirit.

DE ANGELO

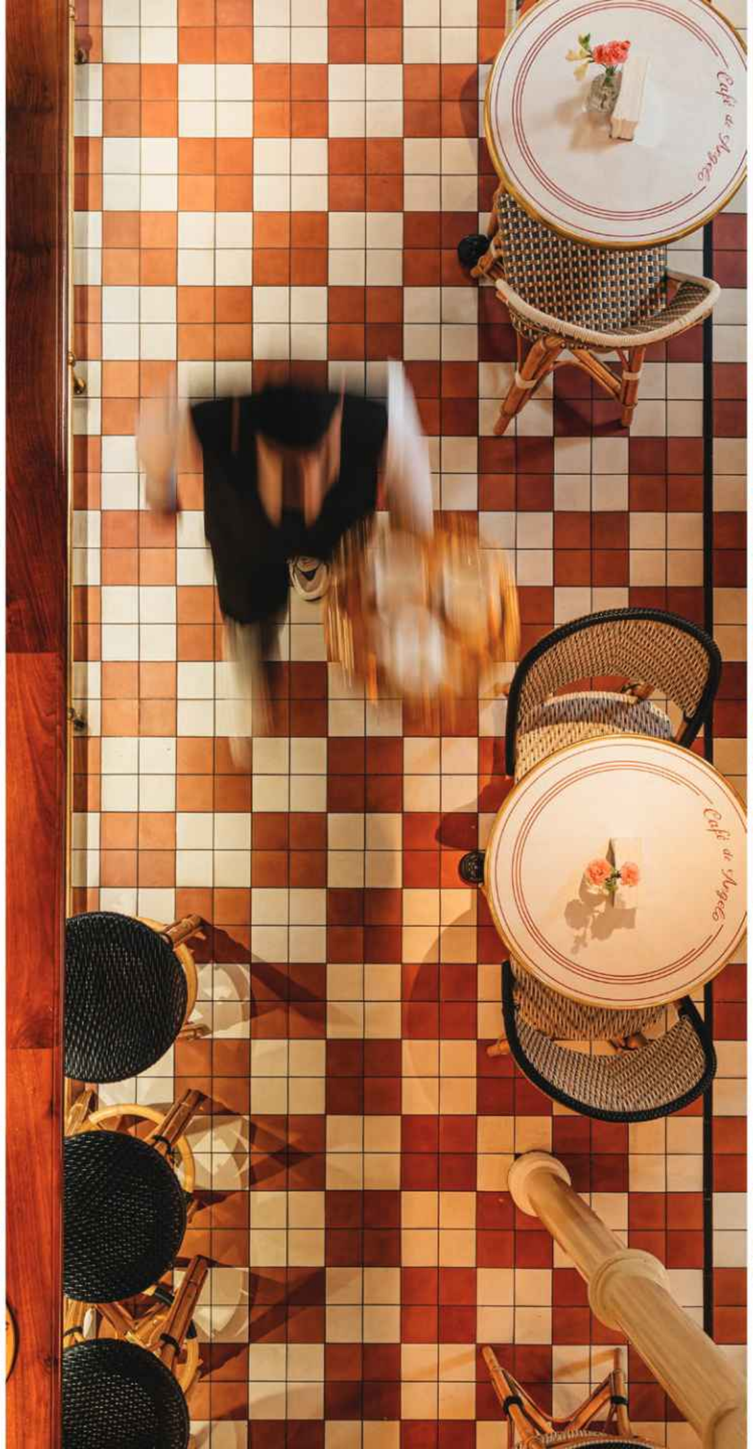

Cafe De Angelo is a modern Italian bistro inspired by atmospheric Parisian corner cafes & authentic New York brasseries. We can proudly say that it has already become on the most favourite spots of the city due to its historical location, vintage vibe, great casual food & unique cocktails. The classy atmosphere takes you back in time - accompanied by your morning cappuccino and one of De Angelos signature desserts. Though it is a brand-new Cafe it seems that it as been here for ages perfectly serving generations of customers. Step into the most iconic outdoor terrace in the city, an integral part of Cafe De Angelo's charm. Wether you're seeking a leisurely breakfast or brunch, a relaxing afternoon, or a charming evening under the stars, our iconic corner terrace offers it all.

Sirelis

TASTE OF YEREVAN

Welcome to SIRELIS, a nostalgic journey back to the 80s Soviet Armenian era, where the echoes of timeless melodies, classic designs, and cherished flavours intertwine. This Family restaurant pays homage to the rich culinary heritage of the region, taking you on a tour of traditional Armenian, Georgian, and Slavic cuisines. Just like the warm embrace of family gatherings, our menu embodies the heart and soul of generations past, honouring the best-loved recipes of our parents and grandparents. It can be a breakfast with your friends, a business lunch with a partner or a birthday celebration with a family - we have got you covered!

As you step into our cosy ambiance, you'll be transported to a bygone era, where an atmosphere reflects the nostalgia of simpler times. Spacious summer terrace at Sirelis isn't just a place outside; it's a haven of delightful flavours and captivating sensations. Join us at Sirelis with your loved ones, family and friends to savour the authenticity of dishes, all served with a side of cherished memories.

BOBBY-Q

BARBECUE & KEBAB SHOP

The next chapter in urban barbeque dining.

Born In Yerevan as BAR B.Q, our concept redefined Armenian stret food with style, speed, and uncompromising quality. Now, in Moscow, we're evolving into BOBBY Q - a modern barbeque brand that blends authentic fire - grilled flavour with global street culture.

At BOBBY Q, every product crafted from the finest ingredients, desined to be bold, juicy, and unforgettable - without the heaviness of traditional fast food. Our interiors are sleek, our packaging is youthful, and the atmosphere pulses with the energy of music and modern city life.

We're not just serving food - we're building a movement.

CABINET

CAFE & RESTAURANT

A Building with a Hidden History.

This brick building was constructed during the Soviet period and, according to local residents, was used as a summer residence for government officials.
The architect of the building is unknown.

In 2025, the building was carefully reconstructed, preserving its historic character and gaining a new life as Cabinet Restaurant-Café.

OUR MISSION

Our team believes that here in Armenia we have enough talents & resources to create and export brands to other countries, as well as to successfully import franchise brands to Armenia. At BECKMAN&CO, projects are more than brands; they are self-made, original concepts that embody our commitment to uniqueness, freshness, inspiration, and sustainability. And that is our mission.
